The following privacy policy is intended to inform you in particular about the type, scope, purpose, duration, and legal basis for the processing of such data either under our own control or in conjunction with others. We also inform you below about the third-party components we use to optimize our website and improve the user experience which may result in said third parties also processing data they collect and control.

Our privacy policy is structured as follows:

- I. Information about us as controllers of your data
- II. The rights of users and data subjects
- III. Information about the data processing

I. Information about us as controllers of your data

II. The rights of users and data subjects

With regard to the data processing to be described in more detail below, users and data subjects have the right

- to confirmation of whether data concerning them is being processed, information about the data being processed, further information about the nature of the data processing, and copies of the data (cf. also Art. 15 GDPR);
- to correct or complete incorrect or incomplete data (cf. also Art. 16 GDPR);
- to the immediate deletion of data concerning them (cf. also Art. 17 DSGVO), or, alternatively, if further processing is necessary as stipulated in Art. 17 Para. 3 GDPR, to restrict said processing per Art. 18 GDPR;
- to receive copies of the data concerning them and/or provided by them and to have the same transmitted to other providers/controllers (cf. also Art. 20 GDPR);
- to file complaints with the supervisory authority if they believe that data concerning them is being processed by the controller in breach of data protection provisions (see also Art. 77 GDPR).

In addition, the controller is obliged to inform all recipients to whom it discloses data of any such corrections, deletions, or restrictions placed on processing the same per Art. 16, 17 Para. 1, 18 GDPR. However, this obligation does not apply if such notification is impossible or involves a disproportionate effort. Nevertheless, users have a right to information about these recipients.

Likewise, under Art. 21 GDPR, users and data subjects have the right to object to the controller's future processing of their data pursuant to Art. 6 Para. 1 lit. f) GDPR. In particular, an objection to data processing for the purpose of direct advertising is permissible.

III. Information about the data processing

Your data processed when using our website will be deleted or blocked as soon as the purpose for its storage ceases to apply, provided the deletion of the same is not in breach of any statutory storage obligations or unless otherwise stipulated below.

Server data

For technical reasons, the following data sent by your internet browser to us or to our server provider will be collected, especially to ensure a secure and stable website: These server log files record the type and version of your browser, operating system, the website from which you came (referrer URL), the webpages on our site visited, the date and time of your visit, as well as the IP address from which you visited our site.

The data thus collected will be temporarily stored, but not in association with any other of your data.

The basis for this storage is Art. 6 Para. 1 lit. f) GDPR. Our legitimate interest lies in the improvement, stability, functionality, and security of our website.

The data will be deleted within no more than seven days, unless continued storage is required for evidentiary purposes. In which case, all or part of the data will be excluded from deletion until the investigation of the relevant incident is finally resolved.

Newsletter

If you register for our free newsletter, the data requested from you for this purpose, i.e. your email address and, optionally, your name and address, will be sent to us. We also store the IP address of your computer and the date and time of your registration. During the registration process, we will obtain your consent to receive this newsletter and the type of content it will offer, with reference made to this privacy policy. The data collected will be used exclusively to send the newsletter and will not be passed on to third parties.

The legal basis for this is Art. 6 Para. 1 lit. a) GDPR.

You may revoke your prior consent to receive this newsletter under Art. 7 Para. 3 GDPR with future effect. All you have to do is inform us that you are revoking your consent or click on the unsubscribe link contained in each newsletter.

Contact

If you contact us via email or the contact form, the data you provide will be used for the purpose of processing your request. We must have this data in order to process and answer your inquiry; otherwise we will not be able to answer it in full or at all.

The legal basis for this data processing is Art. 6 Para. 1 lit. b) GDPR.

Your data will be deleted once we have fully answered your inquiry and there is no further legal obligation to store your data, such as if an order or contract resulted therefrom.

User posts, comments, and ratings

We offer you the opportunity to post questions, answers, opinions, and ratings on our website, hereinafter referred to jointly as "posts." If you make use of this opportunity, we will process and publish your post, the date and time you submitted it, and any pseudonym you may have used.

The legal basis for this is Art. 6 Para. 1 lit. a) GDPR. You may revoke your prior consent under Art. 7 Para. 3 GDPR with future effect. All you have to do is inform us that you are revoking your consent.

In addition, we will also process your IP address and email address. The IP address is processed because we might have a legitimate interest in taking or supporting further action if your post infringes the rights of third parties and/or is otherwise unlawful.

In this case, the legal basis is Art. 6 Para. 1 lit. f) GDPR. Our legitimate interest lies in any legal defense we may have to mount.
